Youtravel introduces Thailand and offers agents Love2shop vouchers

Youtravel.com has added Thailand to its range of destinations.

The bed bank is marking the launch with an agent incentive offering a £5 Love2shop voucher for agents who book hotel stays there before January 31.

Agents are asked to compile a list of all their bookings, including reference numbers, their name, company name, phone number and email address, and

email to uksales@youtravel.com and thailand@youtravel.com by February 15, 2013.

Youtravel has also expanded its range of long-haul destinations to include the Caribbean, United Arab Emirates, the US, Mexico, Oman and El Gouna in Egypt.

The Azores and other ski destinations will be added soon.

The bed bank, which was bought this summer by FTI Touristik, now offers 4,000 properties, 119 of which are exclusive.
